

ROADPATCH MMA

Cold Applied Permanent Pothole Repair Product

Description

Roadpatch MMA is a cold applied permanent pothole repair system specially formulated to offer exceptional durability, skid resistance and the flexibility required to handle extreme climate conditions.

Roadpatch MMA will not shrink and requires no compaction. Removal of dust, debris, dirt and standing water is all that is required before the hole can be filled.

Benefits

- Outstanding durability
- Application not seasonally affected
- No need to compact
- Cutting back of pothole unnecessary
- Minimal curing time
- Can be trafficked within 30 minutes
- Incredibly strong bond to concrete and asphalt substances
- Excellent UV, Chemical and road salt resistance
- Outstanding skid resistance
- Superior thermal stability

Physical Properties

- Form	Slurry
- Colour	Black
- Specific Gravity	2.0
- Aggregate PSV	65 +
- Application Temp. Range	0 - 35 °C
- Curing Time	30 mins
- Application Depth	0 - 50 mm
- Coverage	25 kg/m ² (15 mm depth)

Packaging

- Available in 25kg kits
- Shelf life approx. 12 months
